Note from President ISPR

With a great sense of pride and pleasure, I am writing this for the ISPR Newsletter. Our organization is growing steadily by the day. We are not a mushroom but a group of dedicated members devoting quality time to Paediatric Radiology. Our presence is been acknowledged and appreciated by everyone. We have been consistently conducting one annual National conference and one annual national CME in each calendar year. The scientific content in these deliberations is excellent. This year a wonderful National conference was conducted by Chennai. Hopefully many all of us will be in Nagpur on 26th & 27th Of March 2022 for the National CME. I congratulate all the office bearers and each and every member of ISPR for taking the organization forward so dedicatedly and gracefully. Long live ISPR!

From the Secretary's Desk

Dear All,

Wishing all our ISPR family members a very Happy New Year.

Hopefully, this year shall begin the end of the covid uncertainty and we shall be able to march ahead with our in-person academic activities.

We started our journey of ISPR in December 2003 from Pondicherry and today we have a current membership strength of 510 members in Indian Society of Paediatric Radiology. Last two years has seen only online ISPR meetings. This year, we are again looking to reach smaller cities and plan to conduct one day teaching programs for residents in far off medical colleges and to teach them finer aspects of paediatric radiology. Our next Mid term CME in March 2022 is scheduled at Nagpur, and we shall get back to you with more details on this soon.

With continuous support of all our ISPR members, and EC members, we hope to take paediatric radiology forward,

Thank You All,

Dr. Kushaljit Singh Sodhi

Secretary, ISPR

Editor's Desk

Happy New Year to all ISPR members!

We are pleased to resume the tradition of publishing regular ISPR newsletters.

The year 2021 gave us no respite from the pandemic, with India experiencing a deadly second wave of COVID-19. Consequently we have all had to face increasing pressures on imaging services; many of us have also had to cope with family and friends falling ill. We have adapted and emerged from this stronger.

ISPR too has adapted to the new normal. Physical meetings could not be conducted for the past two years. Our hope and efforts for conducting an in-person Annual ISPR Conference in 2021 were also in vain. In October 2021, a 2 day Virtual Annual Conference of ISPR was held with active participation from national and international faculty.

Here's hoping that the pandemic does not play spoil-sport in the New Year and that the entire ISPR family can meet in person at the next ISPR academic event.

May ISPR grow in strength, inspire and educate for many years to come !

Below is a round up of ISPR events in 2021.

ISPR 2021 Virtual Conference

The 19th Annual Conference of the Indian Society of Paediatric Radiology was held online on October 30 & 31, 2021. The meeting was organised by the team from Tamilnadu. The conference saw the participation of eminent International Faculty and renowned National Faculty.

The E-poster and oral paper competition saw enthusiastic participation from postgraduates, senior residents and junior consultants with the submission of over 150 abstracts. In the week leading up to the conference, Prize paper presentations were held online via Zoom platform. The accepted E-posters were uploaded to the ISPR website for all to view. The ISPR website is being managed completely by Dr. Bijon Kundu and Dr. Jeetendra Sharma. Special thanks are due to Dr. Jeetendra for his fantastic work of uploading all the E-posters to the ISPR website and for helping the conference Organising Committee design a webpage for the same. The list of winners for the Oral Prize paper competition and E-posters competition is displayed on the ISPR website.

ISPR 2021 Virtual Conference

On October 30, at 1.45 pm the scientific proceedings were kickstarted with a prayer song and a virtual lamp lighting ceremony followed by Welcome Address by Dr. Jayaraj Govindaraj, Organising Chairman, ISPR 2021.

Dr. Jayaraj took us on a walk down memory lane with a beautiful recap of the history of ISPR. He also honoured all the past Presidents of ISPR without whose efforts the society would not have been able to spread its roots and grow.

Online GBM of ISPR

The General Body Meeting (GBM) of ISPR was conducted online on 9th October at 5pm. The meeting was chaired by Dr. Neera Kohli, President ISPR and conducted by Dr. Kushaljit Singh Sodhi, Secretary ISPR. Twenty-four members of the ISPR attended this meeting in which several important decisions were made regarding the functioning of the Society. Due to the inability to conduct physical elections and physical voting in view of COVID restrictions, it was unanimously decided at the GBM to extend the term of all current office bearers for one year or till the time of the next physical meeting. The possibility of electronic voting was explored and discussed by the members. But since the contact details of a large number of members are lacking it was decided that e-voting would not be possible at this time. However, it was decided to update the members data at the earliest by constituting a Membership Updation Committee (Chairman – Dr Jayaraj Govindaraj), thus paving the way for e-voting in the future if agreed upon by the EC and subsequent amendment of the Constitution to allow the same. Till such time the present practice of physical voting would continue.

The GBM also decided that there should be a separate website co-ordinator who would be responsible for academic activities via the ISPR website and oversee uploading of educational content .

The interim expenses and execution of the ISPR accounts by Dr. Jeetendra Sharma, Treasurer ISPR, were unanimously approved by the GBM.

The GBM concluded with vote of thanks by Dr.Sridhar Gibikote, Joint Secretary ISPR.
