Season's Greetings to all our members and office bearers. Once again I apologise for the delay in publishing this 4th Edition of our half yearly E-news bulletin.

There are some important announcements in our bulletin regarding the future Paediatric Radiology conferences for the year 2012. The 10th Annual Conference of Indian Society of Paediatric Radiology is under great preparation by the organizing committee members of Dept. of Radio-diagnosis & Imaging, Post-graduate Institute of Medical Education & Research, Chandigarh. Kindly look at www.ispronline.com.

All our members and office bearers are doing a superb job in the upholding the cause & ideas of the ISPR. Please continue your support and help in spreading the light of this noble cause.

Long live ISPR!

Invitation

Dear Friends,

We are delighted to welcome you to the 'City Beautiful', Chandigarh for the forthcoming 10th Annual Conference of the Indian Society of Paediatric Radiology, ISPR-2012, scheduled on 29th-30th September, 2012. ISPR-2012 is being organized by Department of Radio diagnosis & Imaging, Postgraduate Institute of Medical Education and Research (PGIMER), Chandigarh in the golden jubilee year of PGIMER.

Chandigarh, the capital of Punjab and Haryana, is located near the foothills of the Shivalik range of the Himalayas in northwest India. Chandigarh is the first planned city of India and is known internationally for its architecture and urban design. The city has projects designed by architects such as Le Corbusier, Pierre Jeanneret, Mathew Nowicki, and Albert Mayer. Chandigarh is now emerging as a popular tourist destination with many nearby famous tourist attractions like Rock garden, Rose garden, Art galleries, Mughal gardens in Pinjore, Golden Temple in Amritsar and the Queen of hills, 'Shimla', to name a few.

Scientific Committee is leaving no stone unturned to make a very comprehensive but practice oriented scientific programme, covering all topics of current interest, with special emphasis on 'resident-oriented' teaching programme. The highlights include focused sessions, orations, keynote lectures, 'How I do it' and film reading sessions. Scientific programme includes free paper and poster presentations with prizes for the best paper and poster. Faculty Speakers includes distinguished and renowned speakers from India and abroad.

The organizing committee looks forward to your active participation in this conference. We assure you of a great academic fiesta and warm hospitality of the people of Chandigarh in this "Plastic-free" and "Smoke-free" City beautiful.

June 4th-8th, 2013

CONGRESS

European Society of Magnetic Resonance in Neuropediatrics

PRESIDENTS OF THE CONGRESS
Prof. Yves Ville and Prof. Daniela Prayer
for Ultrasound meets Magnetic Resonance Congress
Prof. Rainer Sellert and Prof. Daniela Prayer
for ESMRNP

Wien

June 4th-8th, 2013

The Viennese Course and Congress on Fetal Magnetic Resonance Imaging has taken place the first time in 2004. In the meantime a strong cooperation between perinatal sonography and MRI has been established, leading to the fact that the event was changed into "Ultrasound meets Magnetic Resonance" which took place the first time in Paris in 2011. In 2013 the congress and course will take place from June 4th to 8th in Vienna. There will be a hands-on workshop of fetal MRI on June 4th, followed by the congress on June 5th, and the course on June 6th. The topic of the course will be the fetal central nervous system, including state of the art methods and new developments in fetal MRI and ultrasound.

The European Society of Magnetic Resonance in Neuropediatrics (ESMRNP) has become the most important interdisciplinary event for different specialties in this field. This course and congress will take place for the first time in Vienna from June 5th to June 8th 2013. The course will overlap with that of the "Ultrasound meets Magnetic Resonance" congress. The arrangement will create the unique opportunity for the respective groups to meet and exchange experiences related to perinatal and paediatric brain development. The ESMRNP congress on June 7th and 8th will be followed by topics on paediatric pathologies of the central nervous system, their diagnosis with respect to clinical, neuropsychological, and imaging methods, genetic counselling, and therapy options.

History of Indian Society of Paediatric Radiology

It was a long cherished dream of India's only Internationally recognized Paediatric Radiologist Prof. M V K Shetty to start an Indian Chapter of Paediatric Radiology. Along with another well known doyen of Radiology, Prof. Arcot Gajaraj, he was able to form the Indian Society of Paediatric Radiology (ISPR) in 2003.

The Society was inaugurated by Prof T D Durairajan, former Director of Medical Services, Tamilnadu State, former Director of the Institute of Child Health, Chennai, a great academician and a renowned Paediatric Surgeon. The function was presided by Prof V P Narayanan, Senior radiologist and former VC of the Madras Medical College deemed University on 12 December 2003. This inauguration performed during the First National Conference of the ISPR was held in Pondicherry along with a one day academic programme.

The birth of Indian Society of Paediatric Radiology (ISPR) was actually on the eve of the 56th Annual State Conference of the Indian Radiological & Imaging Association, Tamilnadu & Pondicherry Chapter in the premises of Pondicherry Institute of Medical Sciences, Pondicherry. The Society is grateful to the TN & PY IRIA, President, Prof. Swaminathan, President Elect, Prof. N Kulasekaran and Prof. J R Daniel, Chairman of the 56th Annual State Conference of the IR & IA, TN & Pondicherry Chapter who consented to host the Inaugural Function and the First Annual Meeting of the ISPR. Best wishes were received from Prof. Dorothy Bulas, USA & reigning President of the Society of Paediatric Radiology (SPR); Prof Helen Carty, world renowned Paediatric Radiologist from UK and the President of the European Congress of Radiology, 2003.

The Logo of the ISPR was designed by Dr S Vetriraj. It represents the stages of man from fetus to adolescent and has the Caduceus medical emblem in the background

The academic programme of the first Conference was very successfully conducted at the Pondicherry Institute of Medical Sciences and was deeply appreciated by one and all. The Organising Chairman, Dr J R Daniel, made a gigantic selfless effort to create the society and conduct the conference. The first Prof. M V K Shetty Endowment Oration was given by Dr Arun Gupta on "Periventricular Leukomalacia" and the first Prof Arcot Gajaraj Endowment Oration was rendered by Prof Mukund Joshi on "Paediatric Radiology – Past, Present & Future".

The II Annual Conference of the ISPR was held at Mumbai on 11 & 12th December 2004, under the chairmanship of Prof Mukund Joshi. It was an elaborate 2 day scientific meeting which was well attended by the members. The second Prof M V K Shetty Endowment Oration was given by Dr Veena Chowdhury and Dr Srinivas Desai gave the second Prof Arcot Gajaraj Endowment oration. It was during this time that it was decided to hold regular Annual conferences to popularize and create awareness of the Society in all corners of the nation. Preparations were made to register the Society and to form a Constitution.

This task was ably performed by Secretary General Prof J R Daniel who registered the society in 2006, at the office of the Registrar of Societies in Pondicherry.

As for the Constitution, the first document was framed prior to the registration of the society. Further amendments have been made over the following years and it has got a final form in 2009 – 2010.

The III Annual Conference of the ISPR was held in New Delhi, at the All India Institute of Medical Sciences on 1 & 2nd October 2005. This was possible with the patronage of Dr Arun Kumar Gupta and the Organizing Chairman, Dr Raju Sharma.

On March 10, 2005, Prof Arcot Gajaraj, the Founder Patron Coordinator of the ISPR passed away after a brief illness. An era of excellent leadership & guidance from a great teacher came to an end.

The First mid term CME of the ISPR was held very successfully in Lucknow, on 22 July 2006 with the dynamism of Prof Neera Kohli, Department of Radiodiagnosis, King George Medical College, Lucknow.

The IV Annual Conference of ISPR was held on 23 & 24 September 2006, at the Hotel Golden Park, Kolkata under the chairmanship of Dr S K Sharma. Several new members joined the Society from in and around Kolkata.

During the first half of 2009, a one day National Second mid term CME was held on 31st May 2009 at Shimla, at the Himachal Institute of Public Administration, Fairlawns, Shimla. The conference was organized by Prof. Dalip Dhiman, HOD and Prof. J.R.Azad of Department of Radiodiagnosis, IGMC, Shimla. The Himachal Pradesh State Branch of the IRIA played a supportive role and there was a good participation from the neighboring states of Punjab and Haryana.

This year marked the passing on of a senior and much respected Professor of Radiology, Dr Elizabeth John (10 June 2009) at Chennai.

The VII National Conference of ISPR was conducted by Prof. Shabnam Grover at the Hotel Le Meridien, New Delhi on 12 & 13th September 2009.

After the Annual Conference held at New Delhi the need for holding a one day Third Mid Term CME was expressed by all members and thereby it was held at Kolkata on 25 April 2010 at the Hotel Golden Park, Kolkata. This was possible due to the enthusiastic help from Dr Bijon Kundu and Dr Anup Sadhu with Dr S K Sharma as the Organizing Chairman and Dr Tapan Dhibar as the Organizing Secretary. The West Bengal State Chapter of the Indian Radiological & Imaging Association (IRIA) played a supportive role for this CME of the ISPR.

The VIII National Conference of ISPR was conducted in Pune on 4 & 5th September 2010, at the Bharathi Vidyapeeth University Main Auditorium, Pune by the Organizing Chairman, Dr Dilip Lakhkar, Organizing Secretary, Dr Arundhati Pawar and their enthusiastic team of radiology staff and post graduate students. The conference drew a wide support from the staff and management of the Bharathi Vidyapeeth Medical College.

Elections for the New Office Bearers for 2010-2012 was held at VIII Annual General Body meeting in Pune and the current Office Bearers of the ISPR are as follows:

The IX National Conference of ISPR was held in Jaipur on 8th & 9th October, 2011 at the JMA Hall, SMS Hospital, Jaipur with the help of Organizing Secretary Dr Pradeep Parakh and his team: notably Dr Mahaveer Goyal, Dr T C Jain and other senior radiologists of Rajasthan.

Following the IX National Conference of ISPR at Jaipur, a National Fourth mid term CME: PEDIRAD – 2012 was held on 26 February 2012 with the support from Dr Dilip Lakhkar, HOD, Dept. of Radiodiagnosis & Imaging, Padmashri Dr. Vitthalrao Vikhe Patil Foundation's Medical College & Hospital, Ahmednagar, Maharashtra. A record number of delegates registered and the one day CME was a success.

The X Annual National Conference of the ISPR will be held in Chandigarh with the chairmanship of Prof. N Khandelwal, Organizing Secretary, Dr Akshay Saxena and Dr Kushaljit Singh Sodhi. The meeting is scheduled on 29 & 30th September, 2012 at the PGIMER, Chandigarh.

This year is the Tenth Anniversary year for the ISPR and all its activities. With great pride the society moves onto the next decade of its existence without missing its tempo and with the solemn promise of all the members to promote, propagate and create awareness of this subspecialty of Radiodiagnosis.

Long Live ISPR !!
