I apologise to all members for the extreme delay in bringing out our E-news bulletin.

ISPR is marching on and like time that waits for no man or woman, ISPR too does not wait for any individual.

ISPR has had successful Annual National Conferences as well as its National Mid term CME's at regular intervals. Apart from its academic activities, the organization is growing & crossing new boundaries.

Thanks to its dynamic office bearers, the ISPR flag is flying high in the International arena. ISPR is now a part of WFPI (World federation of Paediatric Imaging). You can visit www.wfpiweb.org.

We look forward to the 12th Annual National Conference in Vellore which intends to be an exciting feast of scientific activity and fun. Please join in great numbers and uphold the ISPR banner.

XIIth Annual National Conference of the Indian Society of Pediatric Radiology

Dear Doctor,

We are delighted to invite you to the XII annual national conference of the Indian society of Pediatric Radiology (ISPR) to be held in CMC, Vellore on 12 and 13 September 2014.

Early Bird Registration ending on 1.3.2014 and Discounted Registration ending on 1.5.2014

We hope to bring together Pediatric Radiologists, General Radiologists, consultants and post graduates to share and learn important and interesting topics in Pediatric Radiology.

We also aim to advance the sub-specialty of Pediatric Radiology in India by academic workshops, providing information about the fellowships and opportunities to advance in the field, both in India and abroad.

Many eminent dedicated pediatric Radiologists from around the world and distinguished national faculty will bring to us the state of the art in Pediatric imaging.

Who should attend?

- * Pediatric Radiologists : State of the art and advanced imaging topics will be included to cater especially to practicing Pediatric Radiologists.
- * General Radiologists : Significant amount of Pediatric Radiology is included in general Radiology and it is good to update ones knowledge.
- * Pediatricians, Pediatric surgeons
- * Post Graduates and fellows : Basics and advanced topics will be discussed. Opportunities for fellowships in India and overseas will be highlighted. CME points, opportunities to present posters and papers, free accommodation for 1st 10 accepted posters and papers presented by post graduates.
