

INDIAN SOCIETY OF PAEDIATRIC RADIOLOGY 22nd ANNUAL NATIONAL CONFERENCE **ISPR 2024 LUCKNOW**

Theme "Insightful Radiology"

Pre-Conference Workshop: 20 September 2024

Conference Dates: 21-22 September 2024

Organized by Department of Radio-Diagnosis King George's Medical University, Lucknow
Venue -Atal Bihari Vajpayee Scientific Convention Centre, Lucknow

Workshop Topics

Cardiac MRI, MRI Brain Perfusion,
Cardiac CT, HRCT Thorax, Fetal Echo,
USG Developmental Dysplasia of Hip,
Cochlear Implant imaging, DTI
Tractography, RFA Osteoid Osteoma,
USG Developmental Dysplasia of Hip,
RFA Osteoid Osteoma, USG Brain & Spine
Pediatric Advanced Life support, Virtual
Autopsy, Cochlear Implant imaging,
Sclerotherapy of Slow-flow Vascular
Malformation

Submission of Abstract for
Oral Presentation & E-Poster
(a) Educational Exhibit
(b) Case Report, Case Review
(c) Original Studies to encourage
Scientific Study in the field of
Paediatric Radiology

**Quiz/ Prize
Paediatric Radiology**

These lectures will be delivered by International and National faculty.

- Imaging in Pediatric Brain Tumours
- Bowel gas pattern -normal & abnormal
- Imaging in Pediatric Epilepsy
- Classification & Management of Anorectal Malformation
- Imaging in Cerebral Vascular Disease in children
- Imaging approach in Anorectal Malformation
- Radiology of Asthma & its mimics in Children
- Chest x ray in Cardiovascular Disease in Pediatric
- Approach to chest infection in Children
- Imaging of Bronchiectasis in children
- Cardiac MRI case based review
- Hypoxic Ischemic Encephalopathy - The concepts and challenge
- Molecular Imaging in Pediatrics-The road less travelled
- Diagnosing EHBA. What is new?
- Imaging of pathologies of Congenital Pharyngeal arches
- Multimodality imaging of Pediatric Liver Tumours
- Imaging of the Syndromes of the Head & Neck in Children
- Congenital Portosystemic Shunt.
- Imaging of orbital masses in children
- Bone marrow conversion
- Bone Tumours in Pediatric Radiology

Why should You Attend ISPR 2024?

Theme-Insightful Radiology. Radiology is not about writing reports. It's not about making a list of findings. Its about understanding what physiology has turned abnormal and where, it's about knowing the right pill or right scissor which can do the job. It's about being the central Node, the wheel and the router which leads from Disease to Health. It's about reclaiming that CENTRE.

Lectures-Its about hearing firsthand and in persons from the doyens on topics encompassing Pediatric radiology. Its about seeing how they approach cases.

Workshop-Its about learning skill in USG, CT and MRI & Interventional radiology. It allows you to explore and navigate information and techniques. Good Skills help you diagnose and treat patients efficiently. It allows you to ask questions in small groups

Thesis- Come to get ideas for your thesis and projects. The workshop topics are useful for pediatric and adult radiology.If you have any thesis topic related to any of the workshop topics you should not miss being here.

Opportunity to clear doubts-Come prepared, ask Questions & Clear your doubts from stalwarts in Pediatric Radiology

Opportunity to mix-The conference is the right size.It's not too big that one feels lost while still offering a wide enough canvas.

ISPR Office Bearers

National President

Dr. Akshay Saxena

Immediate Past President

Dr. Neera Kohli

President Elect

Dr. Bijon Kundu

Vice Presidents

Dr. Kushaljit S Sodhi
Dr. Chidambaranathan

Secretary General

Dr. Sridhar Gibikote

Joint Secretaries

Dr. Jeetendra Sharma
Dr. Kanimozhi

Treasurer

Dr. Anmol Bhatia

Executive Committee

Dr. Priscilla Joshi
Dr. Shyam Kumar N Keshava
Dr. Anit Parihar
Dr. Manisha Jana
Dr. Kushal Babu Gehlot
Dr. M P Goyel
Dr. Gopinathan

Organizing Committee

Patron

Prof. Soniya Nityanand MD, PHD,
Hon'ble Vice Chancellor,
KGMU, Lucknow

Organizing Chairperson

Prof. Neera Kohli

Organizing Secretary

Prof. Anit Parihar

Treasurer

Dr. Saurabh Kumar

International Faculty

Dr. Steven Kraus

Professor of Radiology
University of Kentucky Children's Hospital
Albert Chandler Hospital Lexington,
Kentucky, USA Section of Pediatric
Radiology

Dr. Ajay Taranath

Radiology consultant
Women's and Children's Hospital
Adelaide, Australia

Dr. Karuna Shekdar

Pediatric neuroradiologist in the
Department of Radiology at The Children's
Hospital of Philadelphia.

Dr. Prakash Masand

Division Chief of Body Radiology, Vice Chair,
Body Radiology and Cardiac Imaging in the
department of Radiology at Texas Children's
Hospital

Dr. Ajay Dsouza

Consultant Pediatric Radiologist. Adjunct
Assistant Professor at Mohammed Bin Rashid
University of Medicine and Health Science Abu
Dhabi

Dr. S Murthy Chennapragada

Clinical Lead PIR, the Children's Hospital at
Westmead SCHN-WM, Sydney

Delegate Category	Early Bird Registration 31.05.2024			Till 31.07.2024			After 31.07.2024		
	Charges	GST	Total	Charges	GST	Total	Charges	GST	Total
Resident/Accompanying Person	4000	720	4720	Rs. 5000	Rs. 900	Rs. 5900	Rs. 6500	Rs. 1170	Rs. 7670
ISPR Member	5000	900	5900	Rs. 6000	Rs.1080	Rs. 7080	Rs. 7500	Rs.1350	Rs.8850
Non- Member /SAARC Countries	6000	1080	7080	Rs. 7000	Rs. 1260	Rs.8260	Rs. 8500	Rs.1530	Rs.10030
Foreign Delegates	150\$	27\$	177\$	175%	32\$	207\$	200\$	36\$	236\$

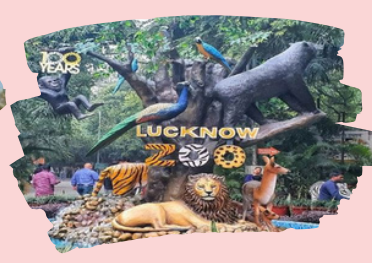

- Avail Group Registration offer at early bird rates till 31.07.2024 (5 or more delegates)

Local Attraction Guide for ISPR 2024 Conference Delegates and Faculty

Lucknow, the capital of Uttar Pradesh, is renowned for its rich history, cultural heritage, and architectural wonders. Known as the "City of Nawabs," it offers a blend of ancient and modern attractions.

Must-Visit Attractions:

- **Bara Imambara:** A grand historical structure built in 1784 by Nawab Asaf-ud-Daula.
- **Chota Imambara:** Another stunning monument built by Muhammad Ali Shah in 1838.
- **Rumi Darwaza:** An iconic gateway, often referred to as the 'Turkish Gate.'
- **Hazratganj:** A bustling shopping area with colonial-style buildings.
- **Lucknow Zoo:** A popular spot for families and wildlife enthusiasts.
- **Ambedkar Memorial Park:** A modern park with grand statues and memorials dedicated to Dr. B.R. Ambedkar and other social reformers.
- **British Residency:** Historical ruins of a British complex from the time of the 1857 uprising.
- **Janeshwar Mishra Park:** One of the largest parks in Asia, ideal for leisure walks and boating.
- **Constantia House (La Martiniere College):** A historic building with stunning architecture.
- **Nawab Wajid Ali Shah Zoological Garden:** Features a variety of wildlife and botanical species.
- **Dilkusha Kothi:** Ruins of an 18th-century house built in the English baroque style

Local Cuisine:

- **Tunday Kababi:** Famous for its delicious kebabs.
- **Dastarkhwan:** Known for traditional Mughlai cuisine.
- **Royal Cafe:** Popular for its chaat and Indian street food.
- **Prakash Kulfi:** Renowned for its kulfi (Indian ice cream).
- **Ram Asrey Sweets:** Famous for traditional Indian sweets.

Ayodhya

Ayodhya, believed to be the birthplace of Lord Rama, is a city of immense religious significance. It's known for its temples and ghats along the Sarayu River.

Must-Visit Attractions:

- **Ram Janmabhoomi:** The birthplace of Lord Rama and site of the grand Ram Mandir.
- **Hanuman Garhi:** A temple dedicated to Lord Hanuman.
- **Kanak Bhawan:** A temple dedicated to Sita and Rama, known for its intricate architecture.
- **Naya Ghat:** A scenic spot along the Sarayu River for evening aarti.

Transport:

- **Distance from Lucknow:** Approximately 135 km
- **Travel Options:** Taxis, buses, and trains
